**Vancouver, B.C., April 4, 2017** – Credipresto S.A. de C.V. SOFOM E.N.R. ("**Credipresto**"), of San Jerónimo 595-401 Col. Tizapán San Angel, México D.F. CP. 01090, announces that it has acquired ownership and control of a secured convertible debenture of Dynasty Metals & Mining Inc. ("**Dynasty**") in the aggregate principal amount of US\$500,000 (the "**Debenture**") pursuant to a non-brokered private placement (the "**Private Placement**"). The principal amount of the Debenture is convertible on or before April 3, 2019 at the option of the holder into common shares of Dynasty (the "**Common Shares**") at a price of CAD\$0.25 per Common Share, based on a Canadian dollar/US dollar exchange rate of 1.3322. An aggregate of up to 2,664,400 Common Shares are issuable by Dynasty on conversion of the Debenture, representing approximately 3.03% of the issued and outstanding Common Shares on completion of the Private Placement ("**Closing**").

In connection with the Private Placement, Dynasty issued to Credipresto warrants to purchase 750,000 Common Shares (the "**Warrants**") in lieu of a cash corporate finance fee. Each Warrant will entitle the holder thereof to acquire one additional Common Share at a price of CAD\$0.33 per Common Share for a period of two (2) years from the date of issuance. An aggregate of up to 750,000 Common Shares are issuable by Dynasty on exercise of the Warrants, representing approximately 0.85% of the issued and outstanding Common Shares on Closing.

Immediately prior to Closing, Credipresto had ownership and control over 4,374,666 Common Shares, representing approximately 4.98% of the issued and outstanding Common Shares, and ownership and control over secured convertible debentures of Dynasty in the aggregate principal amount of US\$1,000,000 (the "**Existing Debenture**"). An aggregate of up to 5,241,600 Common Shares are issuable by Dynasty on conversion of the Existing Debenture, representing approximately 5.97% of the issued and outstanding Common Shares. Credipresto did not have ownership or control over any other securities of Dynasty.

Assuming the conversion of the entire principal amount of the Existing Debenture, Credipresto would have ownership and control over 9,616,266 Common Shares, or approximately 10.33% of the then issued and outstanding Common Shares. Assuming the conversion of the entire principal amount of the Debenture, Credipresto would have ownership and control over 7,039,066 Common Shares, or approximately 7.78% of the then issued and outstanding Common Shares. Assuming the exercise of all of the Warrants, Credipresto would have ownership and control over 5,124,666 Common Shares, or approximately 5.79% of the then issued and outstanding Common Shares. Assuming the conversion of the entire principal amount of the Existing Debenture and the Debenture and the exercise of all of the Warrants, Credipresto would have ownership and control over 13,030,666 Common Shares, or approximately 13.51% of the then issued and outstanding Common Shares.

Credipresto acquired the Debenture and the Warrants for investment purposes only, and will review its investment on an ongoing basis. Upon such review, depending upon such factors that Credipresto may, from time to time, deem relevant, Credipresto may, among other things, acquire additional securities of Dynasty or dispose of some or all of the existing or additional securities Credipresto holds or will hold, directly or indirectly.
