### **About Core Gold Inc.**

The Company is a Canadian based mining company involved in the mining, exploration and development of mineral properties in Ecuador. The Company is currently focused on gold production at its wholly-owned Dynasty Goldfield project and continued development at its Zaruma mine. Mineral is treated at the Company's wholly-owned Portovelo treatment plant close to the Zaruma mine operations. The Company also owns other significant gold exploration projects including the Copper Duke area and the Linderos area in southern Ecuador all of which are on the main Peruvian Andean gold-copper belt extending into Ecuador, and the Jerusalem Project (located 30 kilometers south of the Fruta del Norte project).
