*This news release is intended for distribution in Canada only and is not intended for distribution to United States newswire services or dissemination in the United States.*

**Vancouver, B.C., May 29, 2018** – Core Gold Inc. ("**Core Gold**" or the "**Company**") (TSXV: CGLD, OTCQX: CGLDF) is pleased to announce that it has closed the final tranche of its previously announced (on February 26, 2018 and May 4, 2018) non-brokered private placement.

For the final tranche, the Company issued 1,096,359 units (each a "**Unit**") at a price of \$0.30 per Unit for aggregate gross proceeds of \$328,908. To date the Company has issued, including the first two tranches that closed on April 2, 2018, and May 4, 2018, respectively, a total of 11,017,971 Units pursuant to the private placement for aggregate gross proceeds of \$3,305,392.

Each Unit is comprised of one common share of the Company (each a "**Common Share**") and one half of one Common Share purchase warrant (each whole Common Share purchase warrant, a "**Warrant**"). Each Warrant entitles the holder to purchase one Common Share at a price of \$0.45 for a period of two (2) years following the date of issuance, subject to acceleration in the event that the closing price of the Common Shares are \$0.60 or higher over a period of ten (10) consecutive trading days. The securities issued pursuant to the final tranche of the private placement are subject to a four month hold period that expires on September 30, 2018.

In connection with the final tranche, the Company paid cash finders' fees totaling \$8,771 to one individual. The Company intends to use the net proceeds from the private placement for working capital and general corporate purposes.

Mr. Javier Reyes, a director of the Company, acquired 144,360 Units pursuant to the third tranche of the private placement.

The transaction constituted a related party transaction within the meaning of Multilateral Instrument 61-101 – *Protection of Minority Securityholders in Special Transactions* ("**MI 61-101**") as the above-noted insider of the Company subscribed for securities of the Company for an aggregate of \$43,308. The Company is relying on exemptions from the formal valuation and minority shareholder approval requirements of MI 61-101 in respect of the insider subscription. The Company did not file a material change report at least 21 days before the closing of the final tranche of the Private Placement, as the details of the participation by related parties of the Company were not settled until shortly prior to the closing and the Company wished to close the transaction as soon as practicable for sound business reasons.

The private placement has been conditionally approved by the TSXV but remains subject to final TSXV approval.
